## LIFE EDUCATION VISIT

Dear Parents,

The **Life Education van** will be visiting our school from **Monday 17 September** until **Thursday 20 September**.

This program is a positive, preventative approach to drug abuse and a healthy lifestyle, which emphasises the wonder of the human body.

Each year, children from Kindergarten to Year 6 visit the van with their teacher for an exciting time learning about their body and health.

The Kinder to Year 2 programs look at body knowledge, personal safety and healthy behaviours, such as a balanced diet and regular exercise.

The Year 3 to Year 6 programs focus on the uniqueness of the human body, the safe use of medicines, the effects of smoking and alcohol and related social pressures.

Life Education does not pronounce what is right or wrong but provides children with information encouraging them to make informed decisions.

**COST:** The cost of the visit is **\$6.00** per child. This package includes the mobile classroom lesson, teacher's manual and student workbooks, which provide the necessary activities to complement the Department of School Education and Training PD/Health/PE curriculum. Life Education is a non-profit organisation and all the money raised is committed to the primary objective of educating children.

Harold products will be on sale during the visit. Envelopes will be given to the children on the day of their class visit. All profit from the sale of these products stays in our local area to provide education and resources to help prevent drug misuse.

**INFORMATION FOR PARENTS:** Parents are invited to attend a special (free of charge) session to familiarise themselves with the program. If you have any queries please contact Ryde Hunters Hill Life Education on 9817 8620.
